The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-844-864-4352 or visit us at www.ibxtpa.com. For definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary</u>/ or call 1-844-864-4352 to request a copy.

| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                              | Preferred <b>\$1,650</b> person / <b>\$3,300</b> family,<br>Non-Preferred <b>\$5,000</b> person / <b>\$10,000</b> family.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.   |
| Are there services covered before you meet your <u>deductible?</u>      | Yes. <u>Preventive care</u> is covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u><br>amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers<br>certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> .<br>See a list of covered <u>preventive services</u> at<br><u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .   |
| Are there other <u>deductibles</u> for specific services?               | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | For Preferred <u>providers</u> <b>\$3,000</b> person /<br><b>\$6,000</b> family, for <u>Non-Preferred providers</u><br><b>\$10,000</b> person / <b>\$30,000</b> family. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the<br>out-of-pocket limit?                     | Premiums, Non-Preferred <u>deductibles</u> ,<br><u>balance-billed</u> charges, health care this <u>plan</u><br>doesn't cover, and <u>preauthorization</u> penalties.    | Even though you pay these expenses, they don't count toward the <u>out–of–pocket</u><br>limit.  |
| Will you pay less if you use<br>a <u>network provider</u> ?             | Yes. See www.ibxtpa.com or call:<br>1-844-864-4352 for a list of Preferred<br>providers.  | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?              | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

# About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
